Te Kārearea members and Councilors (in attendance) introduced by Cr Deb Harding and Whangarei District Council staff introduced by Aaron Taikato (General Manager Strategy and Democracy).

4. Community Forum / Hui a Hapori

4.1 Marae hui agenda – Mōkau

Mōkau Riders - Te Kapua Leuluai-Walker and Jake Randall

Presentation by the youth of Mōkau on the positive effects of being a Mōkau Rider.

Requests to Council:

- Designated horse space in Mōkau – land opposite Pukapuka Road identified as Whangarei District Council land.
- Round pen to break-in and train horses in safe environment. Closest round pen used by the Mōkau Riders is in Mimiwhangata. This is personal use round pen and is on DOC Land. The cost of a second-hand round pen is approximately between \$6,000 and \$8,000.
- Two near fatal crashes between 2023 and 2024, many near misses. Acknowledged that Speed Review is currently taking place in the Whangaruru area.

Whangarei District Council representatives suggested that Mokau Riders apply for funding through the Community Grant Scheme and put together a proposal to submit to Whangarei District Council.

Matapouri Marae – Aperahama Kerepeti-Edwards

Provided whānau history of the 1B and 2D Block of land in Matapouri where a private road was made public, and the road name changed to Waetford Road. Whānau are requesting that the road name be changed to either Te Rapa Road or Te Rangitu Ki Waho Road. In 2006, Whangarei District Council agreed to change the name if most of the landowners agreed. Aperahama Kerepeti-Edwards confirmed that the landowners are whānau and all agree.

Waikaukau Sealing – Mylie George

The Waikaukau Causeway is between Parutahi and Ohawini. Accessway is 100 meters of concrete covered causeway over rocks.

Requests to Council:

- Whangarei District Council to take over the maintenance of the causeway.
- Engineers to scope out a plan for the causeway.

- Whangarei District Council to contribute towards higher quality of marine concrete and signage.

Community advised that work is being done with Jeff Devine (Manager Transportation) and Bernadette Aperahama (Manager Strategy) from the Whangarei District Council, the Northland Regional Council and an application has been made for Better Off Funding.

Oakura Junction – Amber-Jade AhMu

Significant increase in pedestrian and vehicle traffic to Oakura Bay. Proposal for Oakura Safety Improvements.

Requests to Council:

- Allowance for shared road use for vehicles, pedestrians and horses.
- Propose that the 'shared road use' safety improvements are incorporated into the upcoming planning design of the Oakura Climate resilience roading upgrades.
- Oakura Safety Improvements to be made a higher priority in the Whangarei District Councils Long Term Plan.

Tūparehuia Marae – Bella Thompson

Follow up from previous meeting held at Tūparehuia in May 2024. Interagency meeting between Whangarei District Council, Northland Regional Council and Department of Conservation.

Aaron Taikato provided an update on some of the Tūparehuia issues previously raised:

- Difficult to get all the agencies together.
- Dual signage for the wāhi tapu is being developed. Signage will include information on what Koiwi is.
- Department of Conservation has identified land to reintroduce Koiwi and will make contact.
- The Boat launching site requires Northland Regional Council input as there is an overlay from the Northland Regional Council on a no vehicle zone. Whangarei District Council has asked Northland Regional Council to contact Tūparehuia to discuss what a potential car park could look like.

Offsite Visit to the Waikaukau Landing.

5. Reports / Ngā Rīpoata

5.1 General Managers Verbal Update - September 2024 - Mōkau Marae

Verbal update by Aaron Taikato:

- Whangaruru has been identified as the first pilot area for Climate Adaptation measures. Roselyn Naidu (Programme Manager Climate Change Adaptation) gave a brief presentation on the Climate Change Adaptation Programme. Working on early engagement with Ngātiwai along with the Northland Regional Council. Funding available through the Better Off Funding called the Tangata Whenua led Climate Planning Fund.
- There is no extra funding available through the Whangarei District Council LTP.
- Whangarei District Council has been working hard to ensure that they are making good solid decisions.
- Whangarei District Council have initiated a strategy to start paying back debts.
- Knowledge Hub – Knowledge, Education and Arts Precinct in the preliminary conceptual stage.
- Consultation in the Long Term Plan regarding Council Controlled Trading Organisation (CCTO).
- Whangarei District Council supported keeping its Māori Ward. Special mention and acknowledgement to Cr Phil Halse who provided such a powerful speech in support of our Māori Wards.

6. Closure of Meeting: Te katinga o te Hui

The hui concluded at 12.37pm.

Confirmed this 5th day of November 2024

Cr Phil Halse (Deputy Chairperson)
